INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
Dystonia Network of Australia Inc

I have audited the accompanying financial report, being a special purpose financial report, of Dystonia Network of Australia Inc. (the association), which comprises the committee's report, the assets and liability statement as at 30 June 2022, the income and expenditure statement for the year then ended and the certification by members of the committee on the annual statement giving a true and fair view of the financial position and performance of the association.

Committee's Responsibility for the Financial Report

The committee of the Dystonia Network of Australia Inc is responsible for the preparation and fair presentation of the financial report and has determined that the basis of preparation is appropriate to meet the requirements of the Australian Charities and not-for-profit Commission and is appropriate to meet the needs of the members. The committee's responsibility also included such internal control as the committee determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on the audit. I have conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relation to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

The audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor consider internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also included evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.
